

Timo Schenk

Postdoctoral Fellow at Aarhus University

✉ tschenk@econ.au.dk
🌐 timoschenk.eu

POSITIONS

2025 -	Assistant Professor (tenure track), Erasmus University Rotterdam
2024	Postdoctoral Fellow, Aarhus University
2020-2024	PhD in Economics, University of Amsterdam
2023	Visiting Research Fellow, Brown University
2018-2020	MPhil in Economics (cum laude), Tinbergen Institute
2014-2017	BSc in Economics (distinction), University of Mannheim

RESEARCH

Primary field: Econometrics

Secondary fields: Causal inference, Applied microeconometrics

Working Papers

1. [Mediation Analysis in Difference-in-Differences Designs \[Job Market Paper\]](#) (*honorable mention, IAAE 2023*)
2. [Time-Weighted Difference-in-Differences: Accounting for Common Factors in Short T Panels](#) (*R&R Journal of Business & Economic Statistics*)

Work in Progress

Policy Evaluation with Trending Data (*with Andreas Pick*)

Selected Talks at Seminars, Conferences & Workshops

2024	Microeconometrics Class of 2024 Conference (Northwestern); University of Southern Denmark; Workshop on Causal Inference and Machine Learning (Groningen); Aarhus University; Erasmus University Rotterdam; U Gothenburg; U Groningen; U Manchester; U Bonn
2023	Bristol ESG (Bristol); IPDC (Amsterdam); IAAE Conference (Oslo); TI PhD Seminar (Amsterdam); NESG Conference (Rotterdam); TI PhD Jamboree; Econometrics Coffee (Brown University); PhD Lunch Seminar
2022	International Econometrics PhD Conference (Rotterdam); Panel Data Workshop (Amsterdam); ESEM Summer Meeting (Milan); IAAE Conference (London); IPDC (Bertinoro); NESG Conference (Groningen) ^P ; IAERE Conference (Cagliari); PhD Lunch Seminar ^o

^P poster, ^o online

TEACHING

BACHELOR	Econometrics ^{t,c} , Mathematical and Empirical Finance ^t , Empirical Project ^{t,c} , Thesis supervision, Microeconomics A ^{t,r} , Statistics 1 ^{t,c} , Mathematics for Economists ^{t,r}
MASTER/PHD	Advanced Econometrics 1 ^c , Financial Econometrics ^c , Measure Theory and Asymptotic Statistics ^t , Microeconomics 3: Information and Contract Theory ^t
OTHER	Causal inference (TA for an online class by Scott Cunningham); Introduction to STATA (Crash course for C4ED employees)

^t tutorial, ^c computer lab, ^r revision lecture

ACADEMIC EXPERIENCE

2017 - 2018	Research Assistant for Prof. Markus Frölich, University of Mannheim
2017 - 2018	Junior Research Manager, C4ED – Centre for Evaluation and Development

OTHER

Awards	Honorable mention at the IAAE 2023
Grants & Scholarships	Henri J. Diesbergenfonds travel grant (2023), IAAE student travel grant (2022), Tinbergen Institute full scholarship (2019-2020)
Organization	Aarhus Workshop in Econometrics V (2024); TI PhD Jamboree (2023)
Services	Board member of the university-wide Central PhD Council, representing all 134 PhD candidates of my faculty. Member of the faculty-level PhD Council.
Programming	R, L ^A T _E X, Python, STATA, Matlab, Git
Languages	German (native), English (proficient, C2), Dutch (independent/proficient, B2/C1)
